If you are affiliated with an EMTTTF eligible agency your EMT Program Coordinator is responsible for documenting your eligibility at www.niems.us. Your 1st examination attempt will be paid for through the EMTTTF. You will be responsible for any subsequent attempts.

WARNING: If you register for an examination attempt paid for through the EMTTTF and do not show, you will be responsible for any additional application fees.

Authorization To Test (ATT) numbers are only good for 90 days. **DO NOT** pay the application fee until you are assured successful completion of your program.
